

Our Giving Plan

The GIVE jar is for someone who isn't you. Choose who, decide what to give, then do it together.

You'll need your **GIVE jar**. This printable works with **The Four Jars**, our free system for splitting money into Save, Spend, Give and Grow. Don't have it yet? Get it free at kidzlense.com

How it felt

"It's not about how much. It's about choosing who." — Ellie

Grown-ups: let your child choose who to help, even if it's not what you'd pick. Giving time counts just as much as giving coins, and it's often more memorable.
